The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Roe Road Extension Project in the Fiscal Year 2023 Transportation, and Housing and Urban Development appropriations bill.

The project sponsor for this project is the Town of Paradise located at 5555 Skyway, Paradise, CA 95969. The project itself will take place within the Town of Paradise.

This project is a valuable use of taxpayer funds as it will provide new intersections at Edgewood Lane, Sawmill Road, and South Libby Road. These streets experienced a high concentration of traffic-related fatalities during the Camp Fire as victims were unable to efficiently evacuate. Roe Road will provide capacity for residents to pass emergency vehicles on the shoulder or Class I path. The Phase I Project will also provide a more direct evacuation route to Pentz Road and out of the Town.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Doug LaMalfa  
Member of Congress
